Answer to PTP_Intermediate_Syllabus 2008_Jun 2014_Set 3

Solution:

1. (a)

(i) (b) In 5 equal annual installments commencing from the year of completion of construction.

REASON: Section 24(b) of the Income Tax Act, 1961 provides that, interest payable by an assessee in respect of funds borrowed for the acquisition or construction of a house property and pertaining to the period prior to the previous year in which such property has been acquired or constructed (to the extent it is not allowed as a deduction under any provision of this Act) is deductible in five equal annual installments commencing from the previous year in which the house is acquired or constructed.

(ii) (d) ₹1,000

REASON: While computing the value of perquisite of rent-free furnished accommodation, provided by the employer, the value of furniture shall be the actual hire charges payable (whether paid or payable), if furniture is hired by the employer.

Value of furniture, to be included in the value of rent-free furnished accommodation
= ₹6,000 × 2/12 = ₹1,000

(iii) (c) Indefinitely and set-off against any head of income, except income under the head "Salaries".

REASON: Section 32(2) of the Income Tax Act, 1961 provides that unabsorbed depreciation can be carried forward by the assessee himself, for consecutive assessment years, for an indefinite period, and can be set off against any income, whether chargeable under the head "Profits and gains of business or profession" or under any other head (except income under the head "Salaries").

(iv) (a) ₹1,00,000

REASON: Section 25AA of the Income Tax Act, 1961 provides that, the receipt of unrealized rent of an earlier year, in the current year, shall be deemed to be income chargeable under the head "Income from House property", in the year of its receipt.

(v) (c) ₹43,500

REASON:

Less: Sale of part of block	4,00,000

New machine acquired on 10.08.2013	1,00,000
Depreciation on block of assets:

	43,500

- (iii) The assessee or his spouse or minor child or an HUF of which he is a member, does not own any accommodation at the place where he ordinarily resides or performs duties of his office or employment or carries on his business/profession.
- (iv) If the assessee owns any accommodation at any place other than the place of employment or business and such accommodation is not in the occupation of the assessee and shall not be assessed in his hands as self occupied property.

Answer to PTP_Intermediate_Syllabus 2008_Jun 2014_Set 3

1. **House property in a foreign country-** A resident assessee is taxable under section 22 in respect of annual value of a property situated in a foreign country. A resident but not ordinarily resident or non-resident is taxable in respect of income of such property situated abroad, if income is received in India during the Previous Year.

If tax incidence is attracted under Section 22 in respect of a house property situated abroad, annual value will be computed as if the property is situated in India, as held in the decision of the Madras High Court in *CIT vs. R. Venugopala Reddiar* [1965] 58 ITR 439.

2. **Disputed ownership-** If title of ownership of a house property is under dispute in a court of law, the decision as to who is the owner rests with the Income-tax Department. The assessment cannot be held up for such dispute. Generally, a person who receives the income or who enjoys the possession of the house property as owner, though his claim is under dispute, is assessable to tax under section 22.

INCOME	APPLICABLE RATE OF TAX

Any short term capital gain arising on transfer of:	
(i) securities covered under Section 111A	15%
(ii) other securities	30%
Any long term capital gain arising on transfer of such securities	10%

Answer to PTP_Intermediate_Syllabus 2008_Jun 2014_Set 3

The following exceptions are applicable to the FIs, for whom special rates have been prescribed under Section 115AD of the Income Tax Act, 1961:

- (i) Deductions under Section 28 to Section 44C and Section 57 are not available to this class of assessees.
 - (ii) The benefit of computing Capital Gain in foreign currency, as provided by the first proviso to Section 48 and the benefit of indexation, as provided by the second proviso to Section 48 are not applicable for this class of assessees, in respect of long term capital gain.
 - (iii) Deductions under Section 80C to Section 80U are not applicable.
- (c) The proviso to Section 92C(2) provides that Arm's Length Price shall be taken to be the arithmetical mean of prices, where more than one price is determined by the most appropriate method.

However, if the arithmetical mean, so determined, is within such percentage of transfer price, as prescribed by the Central Government, then, the transfer price shall be deemed to be the arm's length price and no adjustment is required to be made.

In the given case, the arithmetical mean of prices is = ₹(32 Lakhs + 42 Lakhs)/2 = ₹37 Lakhs.

Variation permitted as percentage of transfer price = ₹35 Lakhs x 2% = ₹70,000

The Arithmetic Mean is ₹ 37 Lakhs and the permissible variation is ₹70,000 (2% of the transfer price). Thus, the Arithmetic Mean is not within the prescribed limit of the transfer price.

Hence, the Arm's Length Price shall be ₹ 37 Lakhs.

Compute taxable salary of Mr. for the Assessment year 2014- 2015.

[3+3+4+5]

Solution:

(a) Since the turnover of Mr. Ramchandran for F.Y.2012-13, i.e., ₹110 lakhs, has exceeded the monetary limit of ₹100 lakhs prescribed under section 44AB, he has to comply with the tax deduction provisions during the financial year 2013-14, subject to, however, the exemptions provided for under the relevant sections for applicability of TDS provisions.

(i) Interest paid on term loan to Indian Bank

TDS under section 194A is not attracted in respect of interest paid to a banking company.

(ii) Advertisement expenses to Sita (two individual payments of ₹30,000 and ₹40,000)

Under section 194C, the provisions for tax deduction at source would not be attracted if the amount paid to a contractor does not exceed ₹30,000 in a single payment or ₹ 75,000 in the aggregate during the financial year. Therefore, provisions for deduction of tax at source under section 194C are not attracted in respect of payment of ₹30,000 to Sita.

However, payment of ₹40,000 to Sita would attract TDS@1% under section 194C, since it exceeds ₹30,000.

Note - The tax to be deducted would be ₹ 400, being 1% of ₹40,000.

(iii) Factory rent of ₹ 1,90,000 paid to Alok

Tax has to be deducted under section 194-I as the rental payment exceeds ₹1,80,000.

Note- The tax to be deducted is ₹19,000, being 10% of ₹1,90,000.

(iv) Brokerage of ₹8,000 paid to Balaram, a sub-broker

Tax has to be deducted @10% under section 194-H as the brokerage exceeds ₹ 5,000 during the F.Y. 2013-14.

Note - The tax to be deducted is ₹800, being 10% of ₹ 8,000.

(b)

(i) **Holder of an impartible estate:** Holder of an impartible estate is chargeable to wealth tax. Section 4(6) of the Wealth Tax Act, 1957 provides that, the holder of an impartible estate is deemed to be the individual owner of all properties, comprised in the estate.

(ii) **Association of Persons:** Association of Persons is not chargeable to wealth tax. When the shares of the members are determinate or known, then members of an AOP are liable to wealth tax in respect of their share in the property of the AOP.

Answer to PTP_Intermediate_Syllabus 2008_Jun 2014_Set 3

(iii) Partnership firms: Partnership firms are not chargeable to wealth tax. Wealth Tax is payable by individuals, HUF and companies only. All other persons are not chargeable to wealth tax.

(c) The following conditions are required to be fulfilled by an assessee, for claiming relief in respect of income earned in those countries, with which India does not have any Double Taxation Avoidance Agreement:

- (i) The assessee is a resident in India during the relevant previous year.
- (ii) The income accrues or arises to him outside India during that previous year.
- (iii) Such income is not deemed to accrue or arise in India during the previous year.
- (iv) The income in question has been subjected to income tax in the foreign country in the hands of the assessee.
- (v) The assessee has paid such tax in the foreign country.
- (vi) There is no agreement under Section 90 for the relief or avoidance of double taxation between India and the other country where the income has accrued or arisen.
