## SCHEDULE I

### ACTIVITIES TO BE TREATED AS SUPPLY EVEN IF MADE WITHOUT CONSIDERATION

1. Permanent transfer or disposal of business assets where input tax credit has been availed on such assets.
2. Supply of goods or services or both between related persons or between distinct persons as specified in section 25, when made in the course or furtherance of business:  
Provided that gifts not exceeding ₹50,000/- in value in a financial year by an employer to an employee shall not be treated as supply of goods or services or both.
3. Supply of goods—
  - (a) by a principal to his agent where the agent undertakes to supply such goods on behalf of the principal; or
  - (b) by an agent to his principal where the agent undertakes to receive such goods on behalf of the principal.
4. Import of services by a taxable person (**w.e.f. 1-2-2019 the term taxable omitted**) from a related person or from any of his other establishments outside India, in the course or furtherance of business.

**Goods sent/ taken out of India for exhibition or on consignment basis for export promotion** [Circular No. 108/27/2019 GST dated 18.07.2019]

# SUPPLEMENTARY\_JUNE 2020 & DECEMBER 2020\_PAPER – 11

---

## **Goods sent to related person or distinct person or to principal or agents for participation in exhibition which are going to return to India is not a supply.**

As per section 7 of the CGST Act, for any activity or transaction to be considered a supply, it must satisfy twin tests namely-

- (i) it should be for a consideration by a person; and
- (ii) it should be in the course or furtherance of business.

The exceptions to the above are the activities enumerated in Schedule I of the CGST Act which are treated as supply even if made without consideration. Further, sub-section (21) of section 2 of the Integrated Goods and Services Tax Act, 2017 (hereinafter referred to as the "IGST Act") defines "supply", wherein it is clearly stated that it shall have the same meaning as assigned to it in section 7 of the CGST Act.

Section 16 of the IGST Act deals with "Zero rated supply". The provisions contained in the said section read as under:

Sec 16 (1) of IGST Act, "zero rated supply" means any of the following supplies of goods or services or both, namely:—

- (a) export of goods or services or both; or
- (b) supply of goods or services or both to a Special Economic Zone developer or a Special Economic Zone unit.

Therefore, it can be concluded that only such "supplies" which are either "export" or are "supply to SEZ unit / developer" would qualify as zero-rated supply.

It is, accordingly, clarified that the activity of sending / taking the goods out of India for exhibition or on consignment basis for export promotion, except when such activity satisfy the tests laid down in Schedule I of the CGST Act (hereinafter referred to as the "specified goods"), do not constitute supply as the said activity does not fall within the scope of section 7 of the CGST Act as there is no consideration at that point in time. Since such activity is not a supply, the same cannot be considered as "Zero rated supply" as per the provisions contained in section 16 of the IGST Act.

**Bus body building activity is a supply of goods or services?** As per CBIC Circular No. 52/26/2018-GST dated 09.08.2018,

Thus, fabrication of buses may involve the following two situations:

- Bus body builder builds a bus, working on the chassis owned by him and supplies the built-up bus to the customer, and charges the customer for the value of the bus.
- Bus body builder builds body on chassis provided by the principal for body building, and charges fabrication charges (including certain material that was consumed during the process of job-work).

In the above context, it is hereby clarified that in case as mentioned (a) above, the supply made is that of bus, and accordingly supply would attract GST @28%.

In the case as mentioned at (b) above, fabrication of body on chassis provided by the principal (not on account of body builder), the supply would merit classification as service, and 18% GST as applicable will be charged accordingly.

### Clarification regarding Reverse Charge Mechanism (RCM) on renting of motor vehicles service

Service by way of renting of any motor vehicle designed to carry passengers where the cost of fuel is included in the consideration charged from the service recipient are taxable at the following two rates:

- (i) @ **5%** (2.5% CGST+2.5% SGST/UTGST or 5% IGST) provided supplier of services has taken only the limited ITC (of input services in the same line of business) or
- (ii) @ **12%** (6% CGST+6% SGST/UTGST or 12% IGST) where supplier of services opts to pay GST at said rate. In this case, there is no restriction on availing ITC on goods and services used in supplying renting of motor vehicles service by the supplier of service.

# SUPPLEMENTARY\_JUNE 2020 & DECEMBER 2020\_PAPER – 11

It is important to note here that when any service is placed under RCM, the supplier shall not charge any tax from the service recipient as this is the settled procedure in law under RCM. Thus, in this case, the supplier does not issue an invoice charging GST @12% (6% CGST+6% SGST/UTGST or 12% IGST) from the service recipient.

## Clarification regarding taxability of supply of securities under Securities Lending Scheme, 1997

Securities and Exchange Board of India (SEBI) has prescribed the Securities Lending Scheme, 1997 for the purpose of facilitating lending and borrowing of securities. Under the Scheme, lender of securities lends to a borrower through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed. The transaction takes place through an electronic screen-based order matching mechanism provided by the recognised stock exchange in India. There is anonymity between the lender and borrower since there is no direct agreement between them.

The lenders earn lending fee for lending their securities to the borrowers. The security lending mechanism is depicted in the diagram below: -

In the above chart:

- (i) Lender is a person who deposits the securities registered in his name or in the name of any other person duly authorised on his behalf with an approved intermediary for the purpose of lending under the scheme.
- (i) Borrower is a person who borrows the securities under the scheme through an approved intermediary.
- (iii) Approved intermediary is a person duly registered by the SEBI under the guidelines/scheme through whom the lender will deposit the securities for lending and the borrower will borrow the securities;

It may be noted for the purpose of GST Act, "securities" shall have the same meaning as assigned to it in clause (h) of section 2 of the Securities Contracts (Regulation) Act, 1956 [Section 2(101) of CGST Act]. The definition of services as per Section 2(102) of the CGST Act, is extracted as below:

*"services" means anything other than goods, money and securities but includes activities relating to the use of money or its conversion by cash or by any other mode, from one form, currency or denomination, to another form, currency or denomination for which a separate consideration is charged;*

## SUPPLEMENTARY\_JUNE 2020 & DECEMBER 2020\_PAPER – 11

---

*Explanation.—For the removal of doubts, it is hereby clarified that the expression “services” includes facilitating or arranging transactions in securities;*

Securities as defined in clause (h) of section 2 of the Securities Contracts (Regulation) Act, 1956 are not covered in the definition of goods under section 2(52) and services under section 2(102) of the CGST Act. Therefore, a transaction in securities which involves disposal of securities is not a supply in GST and hence not taxable.

The explanation added to the definition of services w.e.f. 01.02.2019 i.e., “includes facilitating or arranging transactions in securities” is only clarificatory in nature and does not have any bearing on the taxability of the services under discussion (lending of securities) in past since 01.07.2017 but relates to facilitating or arranging transactions in securities.

The activity of lending of securities is not a transaction in securities as it does not involve disposal of securities. The Scheme under the Securities Lending Scheme, 1997 doesn't treat lending of securities as disposal of securities and therefore is not excluded from the definition of services.

The lender temporarily lends the securities held by him to a borrower and charges lending fee for the same from the borrower. The borrower of securities can further sell or buy these securities and is required to return the lendable securities after stipulated period of time. The lending fee charged from the borrowers of securities has the character of consideration and this activity is taxable in GST since 01.07.2017.

Apart from above, the activities of the intermediaries facilitating lending and borrowing of securities for commission or fee are also taxable separately.

For the past period i.e. from 01.07.2017 to 30.09.2019, GST is payable under forward charge by the lender and request may be made by the lender (supplier) to SEBI to disclose the information about borrower for discharging GST under forward charge. The nature of tax payable shall be IGST.

With effect from 1st October 2019, the borrower of securities shall be liable to discharge GST under reverse charge mechanism. The nature of GST to be paid shall be IGST under reverse charge mechanism.

**[Notification No. 2/2020 IT dated 26.03.2020]**

**Clarification in respect of determination of place of supply in following cases: -**

Vide CBIC Circular No. 103/22/2019 GST dated 28.06.2019

- (i) Services provided by Ports - place of supply in respect of various cargo handling services provided by ports to clients;
- (ii) Services rendered on goods temporarily imported in India - place of supply in case of services rendered on unpolished diamonds received from abroad, which are exported after cutting, polishing etc.
- (i) **Issue:** Various services are being provided by the port authorities to its clients in relation to cargo handling. Some of such services are in respect of arrival of wagons at port, haulage of wagons inside port area up-to place of unloading, siding of wagons inside the port, unloading of wagons, movement of unloaded cargo to plot and staking hereof, movement of unloaded cargo to berth, shipment/loading on vessel etc.

Whether the place of supply for such services would be determined in terms of the provisions contained in section 12(2) or section 13(2) of the IGST Act, as the case may be, or the same shall be determined in terms of the provisions contained in section 12(3) of the IGST Act?

**Clarification:** It is hereby clarified that such services are ancillary to or related to cargo handling services and are not related to immovable property. Accordingly, the place of supply of such services will be determined as per the provisions contained in section 12(2) or section 13(2) of the IGST Act, as the case may be, depending upon the terms of the contract between the supplier and recipient of such services.

## SUPPLEMENTARY\_JUNE 2020 & DECEMBER 2020\_PAPER – 11

- (ii) **Issue:** What would be the place of supply in case of supply of various services on unpolished diamonds such as cutting and polishing activity which have been temporarily imported into India and are not put to any use in India?

**Clarification:** Place of supply in case of performance-based services is to be determined as per the provisions contained in section 13(3)(a) of the IGST Act and generally the place of services is where the services are actually performed. But an exception has been carved out in case of services supplied in respect of goods which are temporarily imported into India for repairs or for any other treatment or process and are exported after such repairs or treatment or process without being put to any use in India, other than that which is required for such repairs or treatment or process. In case of cutting and polishing activity on unpolished diamonds which are temporarily imported into India are not put to any use in India, the place of supply would be determined as per the provisions contained in section 13(2) of the IGST Act.

**Clarification regarding determination of place of supply in case of software/design services related to Electronics Semi-conductor and Design Manufacturing (ESDM) industry (CBIC Circular No. 118/37/2019-GST, dated 11th October, 2019.)**

In contracts where service provider is involved in a composite supply of software development and design for integrated circuits electronically, testing of software on sample prototype hardware is often an ancillary supply, whereas, chip design/software development is the principal supply of the service provider. The service provider is not involved in software testing alone as a separate service. The testing of software/design is aimed at improving the quality of software/design and is an ancillary activity. The entire activity needs to be viewed as one supply and accordingly treated for the purposes of taxation. Artificial vivisection of the contract of a composite supply is not provided in law. These cases are fact based and each case should be examined for the nature of supply contracted.

Therefore, it is clarified that the place of supply of software/design by supplier located in taxable territory to service recipient located in **non-taxable territory** by using sample prototype hardware/test kits in a composite supply, where such testing is an ancillary supply, is the location of the service recipient as per Section 13(2) of the IGST Act. Provisions of Section 13(3)(a) of IGST Act do not apply separately for determining the place of supply for ancillary supply in such cases.

**TCS would not be includible in the value of supply under GST:**

The Central Government vide *Corrigendum to Circular No. 76/50/2018-GST, dated 31st December, 2018* has clarified that Tax collection at source (TCS) is not a tax on goods but an interim levy on the possible “income” arising from the sale of goods by the buyer and to be adjusted against the final income- tax liability of the buyer. Accordingly, for the purpose of determination of value of supply under GST, Tax collected at source (TCS) under the provisions of the Income Tax Act, 1961 would not be includible as it is an interim levy not having the character of tax.

### **Donation or gifts from individual donors – Levy of GST on service display of name plates or donor in premises of charitable organisation (CBIC Circular No. 116/35/2019 GST, dated 11-10-2019):**

Individual donors provide financial help or any other support in the form of donation or gift to institutions such as religious institutions, charitable institutions, schools, hospitals, orphanages, old age homes etc. the recipient institutions place a name plate or similar such acknowledgement in their premises to express gratitude.

When the name of the donor is displayed in recipient institution premises, in such a manner, which can be said to be an expression of gratitude and public recognition of donor's act of philanthropy and is not aimed at giving publicity to the donor in such manner that it would be an advertising or promotion of his business, then it can be said that there is no supply of service for a consideration (in the form of donation). There is no obligation (quid pro quo) on part of recipient of the donation or gift to do anything (supply a service). Therefore, there is no **GST liability on such consideration.**

**Example 1:** "Good wishes from Mr. Rajesh" printed underneath a digital blackboard donated by Rajesh to a charitable Yoga institution.

**Example 2:** "Donated by Smt. Malati Devi in the memory of her father" written on the door or floor of a room or any part of a temple complex which was constructed from such donation.

### **Airport levies under GST (CBIC Circular No. 115/34/2019-GST, dated 11-10-2019):**

The airport operators (like Mumbai International Airport Ltd., or Airport Authority of India or Delhi International Airport Ltd. etc) shall pay GST on the PSF and UDF collected by them from the passengers through the airlines. Since, the airport operators are collecting PSF and UDF inclusive of GST, there is no question of their not paying GST collected by them to the Government.

# SUPPLEMENTARY\_JUNE 2020 & DECEMBER 2020\_PAPER – 11

GST on delayed payment charges in case of late payment of Equated Monthly Instalments

**Example 1:** X sells a mobile phone to Y. The cost of mobile phone is ₹ 40,000/-. However, X gives Y an option to pay in installments, ₹ 11,000/- every month before 10th day of the following month, over next four months (₹ 11,000/- × 4 = ₹ 44,000/-). As per the contract, if there is any delay in payment by Y beyond the scheduled date, Y would be liable to pay additional/ penal interest amounting to ₹500/- per month for the delay.

In some instances, X is charging Y ₹40,000/- for the mobile and is separately issuing another invoice for providing the services of extending loans to Y, the consideration for which is the interest of 2.5% per month and an additional/ penal interest amounting to ₹500/- per month for each delay in payment.

In this case, the amount of penal interest is to be included in the value of supply [in terms of section 15(2) (d)]. The transaction between X and Y is for supply of taxable goods i.e. mobile phone. Accordingly, the penal interest would be taxable as it would be included in the value of the mobile, irrespective of the manner of invoicing.

**Example 2:** X sells a mobile phone to Y. The cost of mobile phone is ₹40,000/-. Y has the option to avail a loan at interest of 2.5% per month for purchasing the mobile from M/s. ABC Ltd. The terms of the loan from M/s. ABC Ltd. allows Y a period of four months to repay the loan and an additional/ penal interest @ 1.25% per month for any delay in payment.

## SUPPLEMENTARY\_JUNE 2020 & DECEMBER 2020\_PAPER – 11

Here, the additional/ penal interest is charged for a transaction between Y and M/s. ABC Ltd., and the same is getting covered under exemption Entry 27. Consequently, in this case the 'penal interest' charged thereon on a transaction between Y and M/s. ABC Ltd. would not be subject to GST as the same would be covered under said exemption entry. However, any service fee/ charge or any other charges, if any, are levied by M/s. ABC Ltd. in respect of the transaction related to extending deposits, loans or advances does not qualify to be interest as defined in exemption notification, and accordingly will not be exempt.

Moreover, the value of supply of mobile by X to Y would be ₹40,000/- for the purpose of levy of GST.

It is further clarified that the transaction of levy of additional/ penal interest does not fall within the ambit of entry 5(e) of Schedule II of the CGST Act as this levy of additional/ penal interest satisfies the definition of "interest" as contained in exemption notification [elaborated above].

Is the GST payable only on the amount exceeding ₹7500/- or on the entire amount of maintenance charges?	The exemption from GST on maintenance charges charged by a RWA from residents is available only if such charges do not exceed ₹7500/- per month per member. In case the charges exceed ₹7500/- per month per member, the entire amount is taxable. For example, if the maintenance charges are ₹9000/- per month per member, GST @18% shall be payable on the entire amount of ₹9000/- and not on [₹9000 - ₹7500] = ₹1500/- .

An explanation has been inserted to this sub-rule (3) to rule 21A clarifying that the expression “**shall not make any taxable supply**” shall mean that the registered person shall not issue a tax invoice and, accordingly, not charge tax on supplies made by him during the period of suspension.

# SUPPLEMENTARY\_JUNE 2020 & DECEMBER 2020\_PAPER – 11

## Illustration 1:

Mr. Vijay, a registered supplier, receives 100 invoices (for inward supply of goods/ services) involving GST of ₹ 10 lakh, from various suppliers during the month of October 20XX. Out of 100 invoices, 80 invoices involving GST of ₹ 6 lakh have been uploaded by the suppliers in their respective GSTR-1s filed on the prescribed due date therefor.

Compute the ITC that can be claimed by Mr. Vijay in his GSTR-3B for the month of October 20XX to be filed by 20th November 20XX assuming that GST of ₹ 10 lakh is otherwise eligible for ITC:

## Answer

ITC to be claimed by Mr. Vijay in his GSTR-3B for the month of October 20XX to be filed by 20<sup>th</sup> November 20XX will be computed as under-

Invoices	Amount of ITC involved in the invoices (₹)	Amount of ITC that can be availed (₹)
80 invoices uploaded in GSTR-1s	6 lakh	6 lakh [Refer Note 1]
20 invoices not uploaded in GSTR-1s	4 lakh	₹ 0.6 lakh [Refer Note 2]
<b>Total</b>	<b>10 lakh</b>	<b>6.6 lakh</b>

Notes:

- (1) 100% ITC can be availed on invoices uploaded by the suppliers in their GSTR-1s.
- (2) As per rule 36(4), the ITC in respect of invoices not uploaded by the suppliers in their GSTR-1s is restricted to 10% of eligible ITC in respect of invoices uploaded in GSTR-1s. Thus, in respect of 20 invoices not uploaded in GSTR-1s, the ITC has been restricted to ₹ 0.6 lakh [10% of ₹ 6 lakh].

## Illustration 2

In the above Illustration, when can Mr. Vijay avail the balance ITC?

## Answer

A taxpayer may avail full ITC in respect of a tax period, as and when the invoices are uploaded by the suppliers to the extent eligible ITC/ 1.1.

Therefore, Mr. Vijay may avail full ITC of ₹ 10 lakh in respect of the month of October 20XX, as and when the invoices are uploaded by the suppliers to the extent of ₹ 9.091 lakh (10 lakh/1.1). Hence, balance ITC of ₹ 3.4 lakh can be availed by Mr. Vijay if suppliers upload details of some of the invoices for the month of October 20XX involving ITC of ₹ 3.091 lakh out of outstanding invoices involving ITC of ₹ 4 lakh details of which had not been uploaded by the suppliers [₹ 6 lakh + ₹ 3.091 lakh = ₹ 9.091 lakh].

## SUPPLEMENTARY\_JUNE 2020 & DECEMBER 2020\_PAPER – 11

Suppose suppliers of Mr. Vijay upload 15 more invoices involving ITC of ₹ 3.091 lakh in the month of December 20XX. In such a scenario, ITC that can be claimed by Mr. Vijay for the month of December 20XX (in respect of such 15 invoices) will be as under –

100% ITC of ₹ 3.091 + ₹ 0.309 [10% of ₹ 3.091 lakh] = ₹ 3.4 lakh

Therefore, Mr. Vijay will be able to claim balance ITC of ₹ 3.4 lakh in the month of December 20XX.

### Illustration 3

Mr. Ajay, a registered supplier, receives 100 invoices (for inward supply of goods/ services) involving GST of ₹ 10 lakh, from various suppliers during the month of October 20XX. Out of 100 invoices, 85 invoices involving GST of ₹ 9.5 lakh have been uploaded by the suppliers in their respective GSTR-1s filed on the prescribed due date therefor.

Compute the ITC that can be claimed by Mr. Vijay in his GSTR-3B for the month of October 20XX to be filed by 20th November 20XX assuming that GST of ₹ 10 lakh is otherwise eligible for ITC:

### Answer

ITC to be claimed by Mr. Ajay in his GSTR-3B for the month of October 20XX to be filed by 20th November 20XX will be computed as under-

Invoices	Amount of ITC involved in the invoices (₹)	Amount of ITC that can be availed (₹)
85 invoices uploaded in GSTR-1	9.5 lakh	9.5 lakh [Refer Note 1]
15 invoices not uploaded in GSTR-1	0.5 lakh	0.5 lakh [Refer Note 2]
<b>Total</b>	<b>10 lakh</b>	<b>10 lakh</b>

Notes:

- (1) 100% ITC can be availed on invoices uploaded by the suppliers in their GSTR-1s.
- (2) As per rule 36(4), the ITC in respect of invoices not uploaded by the suppliers in their GSTR-1s is restricted to 10% of eligible ITC in respect of invoices uploaded in GSTR-1s. However, since in this case, 10% of the eligible ITC in respect of invoices uploaded in GSTR-1s [₹ 0.95 lakh (10% of ₹ 9.5 lakh)], exceeds the actual ITC [₹ 0.5 lakh] in respect of 15 invoices not uploaded in GSTR-1s, ITC availed should be limited to actual amount of ITC.

## 20% (now 10%) ITC restrictions clarified by CBIC Circular No. 123/42/2019– GST dated 11.11.2019:

Sl. No	Issue	Clarification
1.	What are the invoices / debit notes on which the restriction under rule 36(4) of the CGST Rules shall apply?	The restriction of availment of ITC is imposed only in respect of those invoices / debit notes, details of which are required to be uploaded by the suppliers under sub-section (1) of section 37 and which have not been uploaded. Therefore, taxpayers may avail full ITC in respect of IGST paid on import, documents issued under RCM, credit received from ISD etc. which are outside the ambit of sub-section (1) of section 37, provided that eligibility conditions for availment of ITC are met in respect of the same. The restriction of 36(4) will be applicable only on the invoices / debit notes on which credit is availed after 09.10.2019.
2.	Whether the said restriction is to be calculated supplier wise or on consolidated basis?	The restriction imposed is not supplier wise. The credit available under sub-rule (4) of rule 36 is linked to total eligible credit from all suppliers against all supplies whose details have been uploaded by the suppliers. Further, the calculation would be based on only those invoices which are otherwise eligible for ITC. Accordingly, those invoices on which ITC is not available under any of the provision (say under sub-section (5) of section 17) would not be considered for calculating 20 per cent. of the eligible credit available.
3.	<b>FORM GSTR-2A</b> being a dynamic document, what would be the amount of input tax credit that is admissible to the taxpayers for a particular tax period in respect of invoices / debit notes whose details have not been uploaded by the suppliers?	The amount of input tax credit in respect of the invoices / debit notes whose details have not been uploaded by the suppliers shall not exceed 20% of the eligible input tax credit available to the recipient in respect of invoices or debit notes the details of which have been uploaded by the suppliers under sub-section (1) of section 37 <b>as on the due date of filing of the returns in FORM GSTR-1 of the suppliers for the said tax period.</b> The taxpayer may have to ascertain the same from his auto populated <b>FORM GSTR 2A as available on the due date of filing of FORM GSTR-1 under sub-section (1) of section 37.</b>
4.	How much ITC a registered tax payer can avail in his <b>FORM GSTR-3B</b> in a month in case the details of some of the invoices have not been uploaded by the suppliers under sub-section (1) of section 37.	Sub-rule (4) of rule 36 prescribes that the ITC to be availed by a registered person in respect of invoices or debit notes, the details of which have not been uploaded by the suppliers under sub-section (1) of section 37, shall not exceed 20 per cent. of the eligible credit available in respect of invoices or debit notes the details of which have been uploaded by the suppliers under sub-section (1) of section 37. The eligible ITC that can be availed is explained by way of illustrations, in a tabulated form, below.

## Amendment in rule 43 of the CGST Rules which prescribes the manner of determination of ITC in respect of capital goods and reversal thereof in certain cases

**With effect from 01.04.2020**, rule 43 of the CGST Rules which prescribes the manner of determination of ITC in respect of capital goods and reversal thereof in certain cases has been amended as under:

- (i) Clause (c) of sub-rule (1) of rule 43 has been substituted.
- (ii) Clause (d) of sub-rule (1) of rule 43 has been substituted.
- (iii) An explanation has been inserted in clause (e) of sub-rule (1).
- (iv) Clause (f) has been omitted.

The implications of the above amendments can be understood as under-

- (1) Input tax on capital goods used/intended to be used commonly for making taxable and/or zero rated supplies as well as exempt supplies and/or non-business purposes shall be denoted as 'A'. Such amount (as reflected on the invoice) will be credited to electronic credit ledger. The useful life of such capital goods will be taken as 5 years from the date of invoice.

## SUPPLEMENTARY\_JUNE 2020 & DECEMBER 2020\_PAPER – 11

**Example 1:** Azure Pvt. Ltd., a registered supplier, manufactures paints and other chemicals. While paints are taxable, other chemicals are exempt from GST. It has purchased a machinery on October 1, 20XX for making both paints and other chemicals. The invoice for the machinery shows the value of the machinery to be ₹ 1 crore and GST payable thereon to be ₹ 12 lakh [12%]. Input tax of ₹ 12 lakh will be denoted as 'A' and credited to electronic credit ledger. The useful life of the machinery will end on 30.09.20XX+5.

- (2) When capital goods which were initially used only for non-business purpose/exempt supplies are subsequently used commonly for exempt supplies and/or non-business purposes as well as taxable and/or zero rated supplies, input tax in respect of the same should be denoted as 'A' and credited in the electronic credit ledger.

The ineligible credit attributable to the period during which such capital goods were used for non-business purpose/making exempt supplies shall be computed @ 5% per quarter or part thereof and be denoted as 'Tie'. Such 'Tie' shall be added to the output tax liability of the tax period in which credit on such capital goods is claimed.

**Example 2:** Continuing the facts of Example 1, from October 1, 20XX, Azure Pvt. Ltd. started using one of its old machines, which was being used for the manufacture of other chemicals, for manufacture of paints as well. The said machine was purchased on October 1, 20XX-2 for ₹ 60 lakh (exclusive of GST @ 12%). Input tax of ₹ 7.2 lakh will be denoted as 'A' and credited in the electronic credit ledger in the month of October 20XX. Out of ₹ 7.2 lakh, ITC of ₹ 2,88,000 will be the ineligible credit, 'Tie' [₹ 7.2 lakh x 5% x 8 quarters], and will be added to the output tax liability of Azure Pvt. Ltd. for the month of October 20XX.

- (3) The amounts of 'A' credited to electronic credit ledger in respect of common capital goods whose useful life remains during the tax period shall be added together to arrive at common credit 'T<sub>c</sub>'.

**Example 3:** Continuing the facts of Examples 1 & 2, common credit 'T<sub>c</sub>' will be ₹ 12 lakh ['A' for first machinery] plus ₹ 7.2 lakh ['A' for second machine], i.e. ₹ 19.2 lakh.

- (4) When capital goods which were initially used only for taxable and/or zero rated supplies are subsequently used commonly for taxable and/or zero rated supplies as well as exempt supplies and/or non-business purposes, input tax claimed in respect of the same shall be added to the aggregate value of 'T<sub>c</sub>'.

**Example 4:** Continuing the facts of Examples 1, 2 & 3, Azure Pvt. Ltd. started using one of its old machines, which was being used for the manufacture of paints, for manufacture of other chemicals as well. The said machine was purchased on October 1, 20XX-2 for ₹ 2 crore (exclusive of GST @12%). Input tax of ₹ 24 lakh will be added to the common credit 'T<sub>c</sub>', i.e. to ₹ 19.2 lakh. Thus, total common credit will be ₹ 43.2 lakh.

- (5) 'T<sub>m</sub>' which is the common credit for a tax period [T<sub>c</sub> / 60] is to be computed during the useful life of capital goods which is five years from the date of invoice.

**Example 5:** Continuing the facts of Examples 1, 2, 3 & 4, 'T<sub>m</sub>' will be ₹ 43.2 lakh/60, i.e ₹ 72,000.

- (6) Clause (g) provides the formula for determining 'T<sub>e</sub>', i.e. amount of common credit attributable to exempt supplies, as  $T_e = (E/F) \times T_r$ . The term 'Tr' which is used in the said formula was defined in

## SUPPLEMENTARY\_JUNE 2020 & DECEMBER 2020\_PAPER – 11

clause (f). Omission of clause (f) has thus, rendered the formula given in clause (g) otiose as now the term ('T<sub>r</sub>') which is used in the formula is nowhere defined in the rule.

### Clarification in respect of apportionment of ITC in cases of business reorganization under section 18(3) of the CGST Act read with rule 41(1) of the CGST Rules

Section 18(3) of the CGST Act provides that where there is a change in the constitution of a registered person on account of sale, merger, demerger, amalgamation, lease or transfer of the business with the specific provisions for transfer of liabilities, the said registered person shall be allowed to transfer the ITC which remains unutilized in his electronic credit ledger to such sold, merged, demerged, amalgamated, leased or transferred business in such manner as may be prescribed.

Further, rule 41(1) of the CGST Rules requires a registered person to furnish the details of sale, merger, demerger, amalgamation, lease or transfer, in FORM GST ITC-02 with a request for transfer of unutilized ITC lying in his electronic credit ledger to the transferee. However, in case of demerger, the ITC shall be apportioned in the ratio of the value of assets of the new units as specified in the demerger scheme. Further, "value of assets" means the value of the entire assets of the business, whether or not ITC has been availed thereon.

CBIC has clarified the following issues relating to apportionment of ITC in cases of business reorganization under section 18(3) read with rule 41(1) as under:

- (1) For the purpose of apportionment of ITC pursuant to a demerger under rule 41(1), the value of assets of the new units is to be taken at the State level (at the level of distinct person) and not at the all-India level. The transferor would be required to file FORM GST ITC-02 only in those States where both transferor and transferee are registered.

**Example 6:** A company XYZ is registered in two States of M.P. and U.P. Its total value of assets is worth ₹100 crore, while its assets in State of M.P. and U.P are ₹60 crore and ₹40 crore respectively. It demerges a part of its business to company ABC. As a part of such demerger, assets of XYZ amounting to ₹ 30 Crore are transferred to company ABC in State of M.P, while assets amounting to ₹10 crore only are transferred to ABC in State of U.P. (Total assets amounting to ₹ 40 crore at all-India level are transferred from XYZ to ABC).

The unutilized ITC of XYZ in State of M.P. shall be transferred to ABC on the basis of ratio of value of assets in State of M.P., i.e.  $30/60 = 0.5$  and not on the basis of all -India ratio of value of assets, i.e.  $40/100 = 0.4$ . Similarly, unutilized ITC of XYZ in State of U.P. will be transferred to ABC in ratio of value of assets in State of U.P, i.e.  $10/40 = 0.25$ .

- (2) The formula for apportionment of ITC, as prescribed under proviso to rule 41(1) of the CGST Rules, shall be applicable for **all** forms of business re-organization that results in partial transfer of business assets along with liabilities and not just demerger as mentioned in the proviso to rule 41(1).
- (3) The ratio of value of assets, as prescribed under proviso to rule 41(1) shall be applied to the total amount of unutilized ITC of the transferor, i.e. sum of CGST, SGST/ UTGST and IGST credit. The said formula need not be applied separately in respect of each heads of ITC (CGST/ SGST/ IGST). Further, the said formula shall also be applicable for apportionment of cess between the transferor and transferee.

## SUPPLEMENTARY\_JUNE 2020 & DECEMBER 2020\_PAPER – 11

**Example 7:** The ITC balances of transferor X in the State of Maharashtra under CGST, SGST and IGST heads are 5 lakh, 5 lakh and 10 lakh respectively. Pursuant to a scheme of demerger, X transfers 60% of its assets to transferee B.

Accordingly, the amount of ITC to be transferred from A to B shall be 60% of 20 lakh (total sum of CGST, SGST and IGST credit) i.e. 12 lakh.

- (4) The total amount of ITC to be transferred to the transferee (i.e. sum of CGST, SGST/ UTGST and IGST credit) should not exceed the amount of ITC to be transferred, as determined under rule 41(1) [Refer point (3) above]. However, the transferor shall be at liberty to determine the amount to be transferred under each tax head (IGST, CGST, SGST/ UTGST) within this total amount, subject to the ITC balance available with the transferor under the concerned tax head.

### Example 8:

(1)	(2)	(3)	(4)	(5)	(6)
State	Asset Ratio of Transferee	Tax Heads	ITC balance of Transferor (pre-apportionment) as on the date of filing FORM GST ITC-02)	Total amount of ITC transferred to Transferee under FORM GST ITC02	ITC balance of Transferor (post-apportionment) after filing of FORM GST ITC-02 [Col (4) – Col (5)]
Delhi	70%	CGST	10,00,000	10,00,000	0
		SGST	10,00,000	10,00,000	0
		IGST	30,00,000	15,00,000	15,00,000
		Total	50,00,000	35,00,000	15,00,000
Haryana	40%	CGST	25,00,000	3,00,000	22,00,000
		SGST	25,00,000	5,00,000	22,00,000
		IGST	20,00,000	20,00,000	0
		Total	70,00,000	28,00,000	42,00,000

- (1) The apportionment formula shall be applied on the ITC balance of the transferor as available in electronic credit ledger on the date of filing of **FORM GST ITC – 02** by the transferor.
- (2) For the purpose of apportionment of ITC under rule 41(1), the ratio of the value of assets should be taken as on the “appointed date of demerger” as specified in the respective scheme for demerger.

Thus, for the purpose of apportionment of ITC under rule 41(1), the ratio of the value of assets taken as on the “appointed date of demerger” should be applied on the ITC balance of the transferor on the date of filing FORM GST ITC – 02.

## **Goods sent/taken out of India for exhibition or on consignment basis for export promotion**

(CBIC Circular No. 108/27/2019-GST dated 18th July 2019):

Since the activity of sending / taking specified goods out of India is not a supply, doubts have been raised by the trade and industry on issues relating to maintenance of records, issuance of delivery challan / tax invoice etc. These issues have been examined and the clarification on each of these points is as under: -

Issue 1: Whether any records are required to be maintained by registered person for sending / taking specified goods out of India?

Clarification: The registered person dealing in specified goods shall maintain a record of such goods.

Issue 2: What is the documentation required for sending / taking the specified goods out of India?

### **Clarification:**

- a) The activity of sending / taking specified goods out of India is not a supply.
- b) The said activity is in the nature of "sale on approval basis" wherein the goods are sent / taken outside India for the approval of the person located abroad and it is only when the said goods are approved that the actual supply from the exporter located in India to the importer located abroad takes place. The activity of sending / taking specified goods is covered under the provisions of sub-section (7) of section 31 of the CGST Act read with rule 55 of Central Goods & Services Tax Rules, 2017 (hereinafter referred to as the "CGST Rules").
- c) The specified goods shall be accompanied with a delivery challan issued in accordance with the provisions contained in rule 55 of the CGST Rules.
- d) The activity of sending / taking specified goods out of India is not a zero-rated supply. That being the case, execution of a bond or LUT, as required under section 16 of the IGST Act, is not required.

Issue 3: When is the supply of specified goods sent / taken out of India said to take place?

**Clarification:**

- a) The specified goods sent / taken out of India are required to be either sold or brought back within the stipulated period of six months from the date of removal as per the provisions contained in sub-section (7) of section 31 of the CGST Act.
- b) The supply would be deemed to have taken place, on the expiry of six months from the date of removal, if the specified goods are neither sold abroad nor brought back within the said period.
- c) If the specified goods are sold abroad, fully or partially, within the specified period of six months, the supply is effected, in respect of quantity so sold, on the date of such sale.

Issue 4: Whether invoice is required to be issued when the specified goods sent / taken out of India are not brought back, either fully or partially, within the stipulated period?

**Clarification:**

- a) When the specified goods sent / taken out of India have been sold fully or partially, within the stipulated period of six months, as laid down in sub-section (7) of section 31 of the CGST Act, the sender shall issue a tax invoice in respect of such quantity of specified goods which has been sold abroad, in accordance with the provisions contained in section 12 and section 31 of the CGST Act read with rule 46 of the CGST Rules.
- b) When the specified goods sent / taken out of India have neither been sold nor brought back, either fully or partially, within the stipulated period of six months, as laid down in sub-section (7) of section 31 of the CGST Act, the sender shall issue a tax invoice on the date of expiry of six months from the date of removal, in respect of such quantity of specified goods which have neither been sold nor brought back, in accordance with the provisions contained in section 12 and section 31 of the CGST Act read with rule 46 of the CGST Rules.

# SUPPLEMENTARY\_JUNE 2020 & DECEMBER 2020\_PAPER – 11

## Form PMT-09: Importance and Use in The Electronic Cash Ledger:

w.e.f. 21 April 2020, The CBIC has recently introduced Form PMT-09 (i.e. a challan) for shifting wrongly paid amount from one head to another head. This enables a registered taxpayer to transfer any amount of tax, interest, penalty, etc. that is available in the **electronic cash ledger**, to the appropriate tax or cess head under **IGST, CGST** and **SGST** in the electronic cash ledger.

Hence, if a taxpayer has wrongly paid CGST instead of SGST, he can now rectify the same using Form PMT-09 by reallocating the amount from the CGST head to the SGST head.

### key points to note about Form GST PMT-09:

1. If the wrong tax has already been utilized for making any payment, then this challan is not useful. This challan only allows shifting of the amounts that are available in the electronic cash ledger.  
For instance, in case an amount has been misreported in the GSTR-3B, there is no way to rectify the same as the GSTR-3B is non-editable. In such case, only an adjustment in the next month's return can be made.
2. The amount once utilized and removed from cash ledger cannot be reallocated.
3. Major head refers to- Integrated tax, Central tax, State/UT tax, and Cess.
4. Minor head refers to- Tax, Interest, Penalty, Fee and Others.

### Illustration:

Mr. A. had to pay ₹100 as Central Tax under the major head and ₹50 as interest under the minor head and he has wrongly paid ₹50 under Central tax head and ₹100 as interest under the minor head.

In this case, he can file PMT-09 to shift the amount from the major head (i.e. Central tax) to the minor head (i.e. interest). This shifting of the amount can be done from minor head to major head as well.

An amount can also be transferred from one minor head to another minor head under the same major head.

For example, in the case of interchange of interest and penalty amount under Central Tax can also be rectified by filing PMT-09.

## Rule 86A Conditions of use of amount available in electronic credit ledger

## TYPES OF DUTIES

**Refund of drawback of basic customs duty paid on inputs for deemed exports also allowed on “All Industry Rate” basis [Notification No. 28/2015-2020 dated 31.10.2019]**

DGFT vide Notification No. 28/2015-20 dated 31st October 2019 has amended the said provision and provided that refund of drawback on the inputs used in manufacture and supply under the deemed exports category can be claimed on 'All Industry Rate' of Duty Drawback Schedule notified by Department of Revenue from time to time provided no CENVAT credit has been availed by supplier of goods on excisable inputs or on 'Brand rate basis' upon submission of documents evidencing actual payment of basic custom duties. Accordingly, the refund of drawback of duty paid on inputs is also allowed on All Industry Rate basis.

Note: Earlier, the refund of drawback in the form of Basic Customs duty of the inputs used in manufacture and supply under the deemed exports category was given on brand rate basis upon submission of documents evidencing actual payment of basic custom duties.

**Clarification regarding duty drawback allowed in cases of short realisation of export proceeds due to bank charges deducted by foreign banks. Circular No. 33/2019-Customs dated 19<sup>th</sup> September 2019:**

In view of the above, it is clarified that duty drawback may be permitted on FoB value without deducting foreign bank charges. It is further clarified that since agency commission up to the limit of 12.5% of the FoB value has been allowed, such deduction on account of foreign bank charges is allowed within this overall limit of 12.5% of the FoB value. From the average rates of agency commission and foreign bank charges in respect of export shipments, it is seen that these deductions fall within the aforesaid overall limit of 12.5% of FoB value allowed by the Board. Agency commission and foreign bank charges, separately or jointly, exceeding this limit should be deducted from the FoB value for granting duty drawback.
